

Changing Your Tab Name

Instructions for Personal Profile Tabs & Fan Page Tabs

The screenshot displays the TabSite management interface. On the left, a sidebar contains navigation options: 'Welcome Mike', 'Add a New / Upgrade TabSite', 'Account Information', 'Manage My TabSite', and 'TabSite Pages'. The 'Manage My TabSite' section shows the current TabSite name as 'Mike Gingerich - Interr' with a 'Go' button. The 'TabSite Pages' section lists pages: 'About' (selected), 'Default', 'Digital Hill Overview', 'TabSite Overview', and 'My Blog'. The main content area shows the 'About' page being edited. The page title is 'About'. A blue callout box with an arrow pointing to the 'Update Custom Tab Name' button contains the following instructions: 'Step 1: enter new name for your TabSite. - Example: "Welcome!"', 'Step 2: Press "Update custom Tab name"', and 'Proceed to next page'. The preview window shows a website header for 'DIGITAL HILL MULTIMEDIA, INC.' with a 'FREE QUOTE' button and the name 'Mike Gingerich'.

Add New Tab to Your FAN PAGE

The screenshot shows a Facebook page for 'TabSite - Check This Out!'. The page has a blue header with the Facebook logo and a search bar. Below the header, there is a profile picture of a person and a 'Go to Application' button. The main content area shows the page title and navigation tabs for 'Wall', 'Info', 'Reviews', and 'Discussions'. A blue arrow points to the 'Add to my Page' button in the left sidebar. A pop-up window is open, showing the 'Add TabSite - Check This Out! to your Page' dialog. The dialog has a title bar and a main area with the text 'Select which Page you wish to add TabSite - Check This Out! to.' Below this text, there are two entries: 'Mike Gingerich - Internet Marketing Consultant' (Public Figure) and 'TabSite' (Technology and Telecommunications Service). Each entry has an 'Add to Page' button. A 'Share' button is visible on the right side of the pop-up window.

To add your new Tab Name to your Fan Page, click “Add to my Page”, a pop-up window will appear. Select “Add to Page” of the appropriate Fan Page and proceed on...
